CELEBRATING 12+ YEARS OF BUILDING AWARD-WINNING COMMUNITIES

Proud to carry on the legacy

In 2021, OPUS Homes celebrated our 10th anniversary with a huge announcement! OPUS had been named BUILDER OF THE YEAR – Low Rise by the Building Industry and Land Development Association (BILD). This award recognizes a builder that sets the standard for the industry in professionalism and a dedication to excellence. We share this award with all our team, trade partners and clients.

As third generation builders, OPUS Homes is proud to carry on the legacy and bring our architecturally-driven home designs and quality building materials to Richmond Hill while providing an outstanding client experience.

OPUS HOMES GO GREEN™ COMMUNITIES

*Environmentally friendly communities
that are a breath of fresh air.*

One of our core beliefs is to provide our clients with healthy, energy efficient homes using environmentally sustainable practices. Our Go Green™ program provides you and your family with just that.

WATER CONSERVATION

- Low-flow toilets and Moen Eco-Performance faucets and shower heads featured throughout all baths to enhance water conservation.
- Water filtration turns ordinary water into high quality drinking water.

IMPROVED INDOOR AIR QUALITY

- All paints used throughout the home are selected on the basis of releasing low level VOC's.
- Fresh Home Air Exchanger (HRV) AC Unit & Humidifier to distribute clean fresh air.

WASTE REDUCTION

- A Waste Management Program that is carried out by the construction team includes source separation, lumber and drywall recycling, and the reuse of temporary stairs and railings throughout the construction process.

ENVIRONMENTAL PRESERVATION

- Electric car charger rough-in for environmental trailblazers.
- MDF Trim made from a renewable resource
- Engineered hardwoods selected from sustainable forests.
- Broadloom and adhesives are Green Label Plus certified and are produced using completely recycled materials within an optimized manufacturing facility.
- Recycled materials used throughout the building process.

ENERGY SAVING FEATURES

- Triple glaze windows for reduced noise and extra insulation.
- Exterior sheathing for added insulation.
- Drain water heat recovery system captures lost heat going down a shower drain and uses it to pre-heat cold water entering your hot water tank.
- Upgraded Energy Star qualified ceiling fixtures with LED bulbs.
- Electronic Programmable Thermostats to better regulate temperature distribution and conserve energy.
- Sealed basement ducts which reduce heat loss at duct joints.
- Steel insulated roll-up garage door for added insulation.
- Expanding foam insulation applied around all windows and doors for draft prevention.
- Energy Star rated water tank rental.
- Solar conduit from electrical panel to the roof for future installation of solar technologies.

OPUS HOMES TESTIMONIALS

We thank our stars that we chose OPUS homes from so many other builders!

I just wanted to share the WOW feeling. We were really happy to see the final product. The final outcome was way beyond our wildest expectations. Please accept our gratitude in building our dream OPUS home. Our heartfelt thanks goes to YOU, Alex, Frank , Jimmy and the whole team.

We thank our stars that we chose OPUS homes from so many other builders. If we ever move again, you can bet that we be looking for another OPUS homes project.

With heart felt thanks and gratitude.

ARORA FAMILY, AURORA TRAILS

OPUS Experience.

I have so many praises to Andrea and her team. They make us feel like not just VIP but like a family member. Overall, OPUS provides a pleasant experience and this kind of treatment is rare in the GTA.

RICHARD L, RICHLANDS

We always felt heard and valued.

You and your team at OPUS have been kind, accommodating, thoughtful, and just very human. We always felt like we could reach out with questions or issues. We always felt heard and valued. We always felt your team was as invested in the beauty and function of our home as we were.

MEGHJI FAMILY, NEW KLEINBURG

I absolutely LOVE my OPUS Home.

I moved into my new home last week and I am slowly getting sorted and organized. I just wanted to send a quick note to tell you what a wonderful experience it has been working with OPUS Homes and your fabulous staff. Everyone that I have been in contact with has been very helpful and professional.

I can truly say that I absolutely love my OPUS home, I don't think I've experienced that love of a home before. Thank you to you and your team for making this purchase such a great experience for me. I look forward to many years of enjoyment in my new neighbourhood. I have already told many people what a great experience I've had with OPUS Homes and I will continue to do so.
